# APPLIANCE AMPLIFIES THE WORKSPACE

Blackwoods understand that no matter what industry, location, or size, having the right appliance is vital for any successful operation. Whether it is for the commercial building, warehouse, or temporary site, we understand business need diverse, and practical appliance to help their facility moving. As any organisation recognise the importance of employee's well-being and engagement, transforming any dingy room to bright and functional environment inspires collaboration, motivation, and satisfaction.

WATER

No matter if you need to replace a kettle and toaster in the meal room on-site or need more energy efficient commercial dishwasher and display refrigerator in the canteen or require upgrade to the fleet of washer and dryer, Blackwoods has the range to meet your need.

Make your workforce feel comfortable with barista style espresso coffee machine. Keep them cool with chill filter water from the bubbler or straight from the multi-functional taps. Ensure they are getting hot warm pie from food warmer or microwave their cold lunch. Don't let you workforce loose valuable time, help them move efficiently with appliance that fits your workplace.

Blackwoods has a wide range of Appliance from small to large to commercial range. We have the appliances to meet your work layout and budget. Come and speak to one of the many specialists nationwide.
